To Name of the child's parent or guardian: _____

Name of child: _____

School: HARRISON PRIMARY SCHOOL

As part of our focused studies we sometimes use the Fareham area within walking distance from the school. These visits may include the local church for carol services and study, perhaps conducting traffic surveys or visiting local amenities such as the Sports centre. For all off-site visits risk assessments are carried out and you are very welcome to view them.

Your child will always be supervised in line with Hampshire County Guidelines for off-site activities and you would know beforehand.

This permission would only cover visits which do not involve transport and are within walking distance.

I have parental responsibility for the above named child and grant permission for local visits etc as outlined above.

Parent's or guardian's signature: _____ Date: _____

Name (in block capitals): _____
