# Year 6
Digital Citizenship Pledge

We pledge to be good online citizens by...

- Ensuring we use appropriate and kind language when online
- We will keep ourselves safe by not sharing any personal information
- We will 'pause before we post' and think about the consequences of our online actions
- We will respect the hardware we use both in and out of school
- We will speak to a trusted adult if we feel uncomfortable about anything we see online
- We will use the report function where possible to report any unkind behaviour
- We will treat others as we like to be treated
- We will remember to hand our phones in and to not use them in school
